

Ryandale Transitional Housing

Volunteer Application Form

Ryandale provides a sober living space for homeless men. It does not discriminate against past drug use, mental illness or time spent in prison. Residents spend up to one year learning life skills, healing from trauma and/or addiction and overcoming the obstacles that led them to become homeless. With Ryandale's help, people can reduce their risk of relapsing and improve their chances of staying housed.

We welcome volunteers who support our mission and are willing to contribute. The information provided through this form will be kept confidential and will help us determine the most satisfying and appropriate volunteer opportunity for you.

Thank you!
